Defendant writes to clarify and correct an argument made in Doc. #189. Defendant stated, “Plaintiff has not offered any argument regarding adequacy of search and thus it is conceded.” Doc. #189 at 20:22 (header page number). Correspondingly, in its summary of argument, Defendant stated, “Finally, Plaintiff has not raised any argument as to adequacy of search” Id. at 6:16 (header page number). While Plaintiff, in his cross-motion for partial summary judgment (Doc. #188), did not move for partial summary judgment himself on the adequacy-of-search issue, he did ask the Court to deny Defendant’s fourth motion for summary judgment concerning adequacy of search based on purported genuine issues of material fact. Doc. #188, § IV.E. Defendant addressed those issues in its reply/opposition. Doc. #189, § II.H.

Respectfully submitted,
